

Title III, Part A: Language Instruction For English Learners And Immigrant Students
Preliminary Fiscal Year (FY) 2027 Allocations

Under Title III, the Maine Department of Education may not award a subgrant if an school administrative unit's (SAU) total allocation is less than \$10,000 dollars. Please note that the preliminary allocations posted below and are calculated using a per-pupil formula based on the statewide population of Multilingual Learners and the amount of available funding.

If an SAU does not meet the minimum funding threshold independently, it may still qualify for Title III funding by forming a consortium with one or more other SAUs and submitting a joint application. A consortium is a collaborative group of eligible SAUs whose individual allocations fall below the required threshold. Within the consortium, one SAU must agree to serve as the Lead SAU. The Lead SAU acts as the fiscal agent and is responsible for managing the grant and coordinating consortium activities.

These preliminary allocations are subject to change as additional data becomes available and depending on the establishment of consortiums. With this said, SAUs may see adjustments reflected in the final allocations.
